NIDA

ABU SNEINEH

Computer & Math Teacher

ABOUT ME

I am a Computer and Mathematics teacher with specialized experience in teaching Networking and Graphic Design. I have a strong command of AI tools, Google Workspace for Education, and effective strategies for training teachers in integrating technology into their classrooms. I am passionate about innovative teaching methods, digital creativity, and empowering both students and educators through technology.

EXPERIENCE

Computer & Math Teacher

2021 – now

Alqima school

Computer Science and Mathematics teacher, and ICT coordinator. I teach Networking and Graphic Design, lead digital integration using AI and Google tools, and train teachers in effective tech use in education.

Math Teacher

2020 - 2021

Ru'a Secondary School

Mathematics teacher for grades 10–12, covering both Scientific and Literary streams. Focused on preparing students for final exams while fostering deep conceptual understanding and critical thinking skills.

Computer Teacher

2017- 2020

Ein-Naquba Ein-Rafa school

Computer teacher for grades 10 to 12, specializing in Networking. Responsible for teaching core networking concepts, practical lab skills, and preparing students for advanced studies or careers in IT. Focused on hands-on learning, digital literacy, and real-world applications of network technologies.

Technology Teacher

2016- 2017

Dar Al-hikma school

Technology teacher for grades 4–9, teaching digital literacy, basic coding, and creative use of technology to support learning and problem-solving.

Executive Secretary

2015 - 2016

Dar Al-hikma school

Executive Secretary managing communications, schedules, and administrative tasks, as well as overseeing the school's website to ensure up-to-date information and smooth online presence.

Executive Secretary

2010 - 2014

Paley Arts Center

Executive Secretary responsible for managing accounts, organizing Facebook advertisements, and coordinating courses and events to ensure smooth operations and effective communication.
